<p>FGB21-22(2)11</p>	<p><b><u>Headteachers' Reports</u></b></p> <p><b>ESK</b></p> <ul style="list-style-type: none"> <li>• AF reported that it had been a challenging three weeks due to several members of the SLT being absent with COVID. This has created a significant strain on the school as a whole.</li> <li>• Staff have worked tirelessly this half-term and have gone above and beyond in often very difficult circumstances.</li> <li>• 25 Air Quality Monitors have recently been installed in</li> </ul>		

	<p>classrooms.</p> <ul style="list-style-type: none"> <li>• A wellbeing room has been introduced for students to use at break and lunchtimes.</li> <li>• Three well-being Ambassadors have been appointed and DfE funding has been secured for training which will start in January</li> <li>• The recent Y6 Open Evening had been very successful with some pleasing feedback. The School anticipates a Y7 cohort of 75/80 students for Sept 2022.</li> <li>• Attendance is currently 92.2% which is well below the school's norm of 94/95%. This is mainly due to Covid (20 students currently absent) plus families taking students out of school for holidays. Attendance is now unlikely to improve beyond 93%.</li> <li>• An Attendance Officer vacancy has been advertised on a temporary contract until July 2022 for four hours work per day.</li> <li>• The school was due a visit from the LA today but this was cancelled last week and has been rescheduled for November.</li> <li>• Teaching and Learning appraisals are currently taking place. It is likely that two or three members of teaching staff will be submitting Threshold applications and these will be brought to Governors in due course.</li> <li>• Y11 – most recent data collection predicts +0.2 Progress 8 and 44.7 Attainment 8.</li> <li>• Y10 – there is concern over progress due to the Covid disruption of Y8 and Y9. Reading assessments have been carried out and additional support and interventions are in place for identified students.</li> <li>• KS3 – The first data collection is imminent, initial indications are that 75% of the cohort are at, or above, the expected level of attainment.</li> </ul> <p><i>A Governor raised concerns over the number of exclusions so far this academic year (5 exclusions totaling 7.5 days)</i></p> <p>AF explained that this related to Y11 students who were struggling to settle back into the structure and routine after the disruption caused by COVID restrictions.</p> <p>There was a discussion about the disparity in exclusion rates between the secondary schools in Whitby and those in Scarborough. Governors acknowledged that it was difficult to make clear comparisons due to the different provisions in each town to accommodate students at risk of exclusion.</p> <p>Governors are planning to review the use of sanctions and behaviour</p>		<p>2,3 &amp; 4</p>

	<p>policies to ensure consistency and uniformity of expectations across the Federation.</p> <p>Governors also agreed that it was vital to ensure that staff felt supported when dealing with challenging behaviour and that students had the structure of clear, consistent rules and accountability.</p> <p><b>AF left the meeting at 2.30pm</b></p> <p><b>CCW</b></p> <ul style="list-style-type: none"> <li>• JN referred Governors to information he had shared prior to the meeting indicating the Post16 and Post18 destinations of all KS4 and KS5 students.</li> <li>• KS4 students had progressed to a mixture of colleges and apprenticeships. There has been an increase in admissions from ESK into Whitby Sixth Form.</li> <li>• KS5 students have progressed to a variety of destinations with a pleasing number of Oxbridge admissions.</li> </ul> <p><i>A Governor asked whether the schools would consider using an exit questionnaire to determine the reasons for students' choices for Post16/18 provision.</i></p> <ul style="list-style-type: none"> <li>• Y11 – Progress 8 is currently predicted to be -0.17. JN reminded Governors that there is no national benchmark for internal data and he would question the accuracy of any higher prediction given the disruption to students' learning. It is inevitable that all students will have gaps in their learning and staff are working hard to ensure students catch-up as far as possible. There are some concerns around the accuracy of individual grade predictions, particularly students who are predicted to achieve grades 8 &amp; 9's. However, the upcoming November trial exams should give more clarity.</li> <li>• Y7 – CATs assessments indicate a majority of average ability students which is in line with previous cohorts. Reading assessments indicate a significant number of students with below average reading age.</li> <li>• Catch-up funding is being targeted in KS3 to promote literacy and numeracy, with a separate pot for 6<sup>th</sup> form. Literacy in particular is a focus across the school.</li> </ul> <p>Governors were pleased to note that predicted gap for Y11 pupil premium students was less significant than in previous years.</p> <p><i>A Governor suggested that Y9 students may need some additional input when making their Options choices as there is some indication that some inappropriate choices were made last year</i></p>		<p>4</p> <p>2</p> <p>2,3 &amp; 4</p>
--	--	--	--------------------------------------

	<ul style="list-style-type: none"> <li>Y13 – Comparisons in attainment are difficult as there is no national data. However, indications are that attainment is slightly down with students currently forecast an average grade of C+ compared with B- for summer 2021.</li> </ul> <p><i>A Governor asked whether it would be helpful to have some Student Voice input from 6<sup>th</sup> Form for the next meeting. It would be useful to see how they were coping with transition and also the step up from GCSE to further education studies.</i></p> <p><i>A Governor asked when the 6<sup>th</sup> form Curriculum would be reviewed.</i></p> <p>JN advised that this would be done towards the end of this term and the review would be carried out in consultation with Eskdale to ensure options were provided to suit students across the Federation.</p> <ul style="list-style-type: none"> <li>There is acurrently insufficient Teaching Assistant staffing to support the 23 students with an EHCP (including 6<sup>th</sup> form) and other students with SEND. A request for funding for two additional TAs was made to the LA Financial Controls Panel last week but was turned down. The panel wants the LA’s Inclusion Team to determine what level of TA support is needed for CCW before agreeing to this request. JN was informed that any funding would be therefore be dependent on the outcome of an Inclusion Review. The Governors agreed they would very much welcome this review.</li> </ul> <p>JN and PC to raise the question of TAs with Howard Emmett when they meet in early November.</p> <ul style="list-style-type: none"> <li>The school is still awaiting the outcome of the final decision on the provision for Students with Communication and Interaction difficulties. Once this is formalised, the provision will commence from Sept 22 with the recruitment of a specialist teacher from May 22.</li> <li>The School is preparing for an LA review which was due to be carried out the following day (20<sup>th</sup> October).</li> </ul>		<p>4</p> <p>2,3</p>
<p>FGB21-22(2)12</p>	<p><b><u>Chair’s Report</u></b></p> <ul style="list-style-type: none"> <li>The Chair met with Amanda Newbold (AN) on 6<sup>th</sup> October.</li> <li>They discussed the progress that the Federation and Governing Body have made so far and agreed that any remaining issues can be resolved.</li> <li>The Chair stressed to AN that the Governors needed trust and also practical support where appropriate.</li> <li>The Federation Operational Plan has been submitted to the LA and it is the aim to have the CCW Recovery Plan completed by</li> </ul>		

	<p>half-term.</p> <ul style="list-style-type: none"> <li>• The Chair reiterated the Governors’ view that that the Notice of Financial Concern was issued on an unfair basis as the figures it was based on were out of date. Also, that it is not necessary.</li> <li>• The Chair and AN have agreed to meet with Howard Emmett again in early November to review the Notice of Financial Concern.</li> <li>• The Chair updated AN on the sessions that had taken place both with staff and unions.</li> <li>• The Chair reminded AN that both staff and Governors needed written feedback on the LA’s external review. Staff feel that their opinions and concerns have not been listened to or recognised. The Governors need assurance from the LA that their planned actions for this year are appropriate. The Chair informed governors that she had also written to AN, as requested by them, to ask for this assurance but had received no response.</li> <li>• AN has agreed to write to Governors to summarise the findings of the review, confirm the LA’s recommendations and offer comments on the Action Plan. At the date of the FGB meeting this had not yet been received.</li> <li>• AN supports the Governors’ plan to recruit support from a National Leader of Governance. AN has agreed that the LA will meet the related cost as part of the schools’ SPIPs.</li> <li>• The Chair and MT have been making weekly informal visits at lunchtime to both schools. These have generally been well received and are helping to promote effective communication between both parties. The Governors agreed that these sessions should continue with more governors getting involved.</li> <li>• The Chair met with teaching and support staff unions (NASUWT, NEU &amp; Unison) on the 28<sup>th</sup> September. The unions have also been invited to attend the staff/Governor sessions and have been copied in on all written communication with staff.</li> <li>• Further meetings with the unions are planned for Friday 22<sup>nd</sup> October and towards at the end of November</li> <li>• The staff Health and Well-being Survey was issued on the 8<sup>th</sup> October with a closing date of the 23<sup>rd</sup> October. The responses will be shared with the unions.</li> <li>• The NASUWT members have been balloted re strike action. This is in relation to wider issues regarding management practises/lack of consultation.</li> </ul>		<p>4</p> <p>4</p> <p>4</p>

	<p><b>JN left the meeting at 3.55pm</b></p> <ul style="list-style-type: none"> <li>• Staff in both schools are currently planning some Festive social events. The Governors discussed purchasing some chocolates for the staff and writing to them at the end of this half term to acknowledge and thank them for all their hard work.</li> <li>• The Head of Education for Anglo America will shortly be visiting the Federation to meet with the Chair and two Heads. Anglo American have a large International Educational Programme and the Head of Education, who is from Canada is interested in learning about the education system and education in Whitby.</li> <li>• The Chair is investigating options for completion of the access road behind the main building on the Scoresby site. This would provide options for hiring out the site for caravans during the school holidays.</li> </ul>

This is due to a reduction in support staff</li> </ul>		<p>2</p>

	<p>salaries and also additional income from the Covid Recovery Fund.</p> <ul style="list-style-type: none"> <li>• Supply Costs have been expensive due to a higher demand for cover, mainly for absences relating to Covid. This is despite SLT picking up cover lessons on a daily basis which has inevitably impacted on their time to carry out their strategic roles.</li> </ul> <p><i>A Governor asked whether there was capacity to claim on insurance for staff absences therefore freeing up SLT time.</i></p> <p>JN advised that insurance is only applicable to longer term absences but assured Governors that insurance would be utilised whenever appropriate.</p>		2, 4
